Dear Ms. Marcarelli,

In order to more carefully review ComTech21's petition referenced above, the Staff of the Tennessee Regulatory Authority requires more information. We therefore submit the following data requests. Consider this as Data Request No. 1. To expedite the approval process as you requested in the petition please provide the company's data responses by July 1, 2004.

1. Has, or is ComTech21, acquiring customers from Cybertel Communications in any other states? If so, has ComTech21 applied for approvals in these jurisdictions and what were the rulings in these petitions? Provide a list of the states where Cybertel Communications is proposing to transfer their customers to ComTech21.
2. Is Cybertel Communications transferring anything other than customers to ComTech21? Please provide to what extent Cybertel Communications will remain in Tennessee or any other state in the future.
3. Explain more fully the transaction and why this is only a transfer of assets and not a transfer of control.
4. Provide the number of customers that ComTech21 currently has in Tenne
5. Will Cybertel Communications be surrendering their CCN?
6. Provide the Tennessee statute, rule, or order pursuant to your filing of this petition and explain how the statute, rule, or order applies.
7. This is a petition from ComTech21. In a joint petition as indicated in the accompanying letter, an authorized individual from Cybertel Communications also must sign the petition and have his signature notarized. Please have someone from Cybertel sign a copy of the petition and forward it to us. This is necessary for us to process your petition. Both

companies must provide us with addresses, telephone numbers, fax numbers, and/or E-Mail addresses of the authorized signers for their respective companies.

8. Pursuant to TRA Rule 1220-4-2-.56 (2)(d), you must also provide a copy to us of the letter to be written to the customers, notifying them of the change in provider and explaining that they have a right to change providers and can do so without penalty. Include the logos of both companies on the letter. The Authority must approve the letter sent to the customers. See <http://www.state.tn.us/tra/rules/chapters/1220-04-02.pdf> and look under rules.
9. What is the projected consummation date of this transaction?

If you have any questions or comments, please call David McClanahan at 615-741-2904, ext 177. Refer to our website for information concerning filings and rules. See <http://www.state.tn.us/tra/policy.htm>. Return 13 copies to Ms. Sharla Dillon, Docket Room at our address.
